

Wednesday, March 10, 2021

Dear Families and Friends,

We are still in lockdown status, but we are hopeful that we can reinstate our indoor Home visits with families and loved ones soon. We are still testing every week. The good news is that our last test results were negative for all of our Residents and Staff.

If we remain 100% negative after our next test, which will take place on Monday, March 15, we will be in a position to consider the limited visitation policy.

THERE HAS BEEN SOME CONFUSION, SO PLEASE KEEP THIS NOTICE IN MIND...

**From the Alabama Nursing Home Association as of March 8:**

**Please note that CMS has NOT issued changes to any of their nursing home visitation or quarantine guidance, so existing guidelines remain in effect.**

We are still in a time of anticipation for the Lenten Season and the Easter celebration. Please continue to keep us in your prayers. We also continue to pray for you and your families.

Sincerely,

Mother Judith, l.s.p.
