Dear Families and Friends,

We want to give you an update on our latest situation regarding Covid at Sacred Heart Residence. Last Friday, we discovered through testing that we had five employees test positive for the coronavirus. Thankfully, none of our Residents tested positive.

Subsequently, the Mobile County Board of Health informed us that we have to return to lockdown status immediately. We will remain in lockdown status until we have completed 14 days with no positive tests. Last Monday, we were pleased to have had all negative results from our Covid testing.

The employees who had tested positive will remain quarantined until they have completed their 10-day period. Unfortunately, we cannot provide onsite visits for family and friends until the Mobile County Board of Health gives us the approval. We know how disappointing this is for all of us, but safety is our top priority.

We are so grateful for the support of your prayers. God will help us through these challenging times.

Prayerfully,

Mother Judith, l.s.p.
