Dear Families and Friends,

We want to give you an update on our latest situation regarding Covid at Sacred Heart Residence. Yesterday, we had three employees test positive for the coronavirus. Thankfully again, none of our Residents tested positive.

The Mobile County Board of Health states that we have to remain in lockdown status for 14 days with no positive tests. The employees who had tested positive will remain quarantined until they have completed their 10-day period.

Unfortunately, we cannot provide onsite visits for family and friends until the Mobile County Board of Health gives us the approval. We know how disappointing this is for all of us, but safety is our top priority. Please check with Tanya Haynes in Activities to arrange window visits.

We are so grateful for the support of your prayers. God will help us through these challenging times.

Prayerfully,

*Mother Judith, l.s.p.*
