Dear Families and Friends,

Here is our latest update on our current situation regarding Covid at Sacred Heart Residence. Monday's results were a good news/bad news story. Thankfully, all of our Residents tested negative. But, unfortunately, two of our employees tested positive.

The Mobile County Board of Health states that we must remain in lockdown status for 14 days with no positive tests. The employees who had tested positive will remain quarantined until they complete their ten days.

Again, we cannot provide onsite visits for family and friends until the Mobile County Board of Health approves reopening. We know how disappointing this is for all of us, but safety is our top priority. Please check with Tanya Haynes in Activities to arrange window visits and/or Zoom conversations.

We are so grateful for the support of your prayers. God will help us through these challenging times.

Prayerfully,

*Mother Judith, l.s.p.*
