Dear Families and Friends,

Well, I guess it is just the times in which we live. We were finally able to re-open our Home on Friday, August 20. But, unfortunately, we had one employee who tested positive for the Covid virus over the weekend. So that means we had to start our 14-day time period for lockdown on Monday, August 23 and once again start testing twice a week on Mondays and Thursdays.

Unfortunately, when we tested on Monday, August 23rd, we had two Residents and one employee test positive.

Again, we cannot provide onsite visits for family and friends until the Mobile County Board of Health approves re-opening. These are challenging times, but with your prayers and our persistence, we hope to open again in the near future. Please continue to check with Tanya Haynes in Activities to arrange window visits and/or Zoom conversations.

We are so grateful for the support of your prayers. God will help us through these challenging times.

Prayerfully,

Mother Judith, l.s.p.
